## RIDES

### Weekend Rides:

Windy Gap will provide the ropes course, the climbing tower, the swing, and the horses. Typically, you can expect to get 40 campers through the ropes course and 30 campers on horse rides per full afternoon of free time (lunch to dinner). Campers must be at least 5' to ride the horses and ropes course. Daylight Savings Time and inclement weather will affect these numbers. The swing and the tower operate on a first-come-first-served basis during free time.

If scheduling night zip or swing, we will provide the additional rides at the rates listed below:

Zip \$75 per hour  
Swing \$75 per hour

### Midweek Rides:

Windy Gap will provide, on any full afternoon of free time (lunch to dinner), ONE of the following:

- EITHER—1) Ropes Course  
2) Horses OR  
3) Climbing Tower & Swing.

### Waterfront:

Though we winterize the pool and remove the blob during the cold-weather months, the zip line, slide and the hot tub spa are running for most of the school year. As a general rule, we allow the zip line and slide unless there are icy conditions.

**We will need for you to partner with us by providing volunteers to work shifts at the slide, blob and zip line during free time.**
